Once we receive and confirm your verifiable consumer request (see Exercising Access, Data Portability, and Deletion Rights), we will disclose to you:

Exercising Access, Data Portability, and Deletion Rights

To designate an authorized agent, please email privacyofficer@moleculardesigns.com and include your authorized agent's information. We will contact you at the telephone number we have on file to confirm the request.

In order for us to fulfill your request, we must be able to verify your request. A verifiable request must:

- Provide sufficient information that allows us to reasonably verify you are the person about whom we collected personal information or an authorized representative of that person.
- Describe your request with sufficient detail that allows us to properly understand, evaluate, and respond to it.

We cannot respond to your request or provide you with personal information if we cannot verify your identity or authority to make the request and confirm the personal information relates to you. You may only make a verifiable consumer request for access or data portability twice within a 12-month period.

Making a verifiable consumer request does not require you to create an Account with us. However, we do consider requests made through your password protected Account sufficiently verified when the request relates to personal information associated with that specific Account.

We will only use personal information provided in a verifiable consumer request to verify the requestor's identity or authority to make the request.

Any CCPA-permitted financial incentive we offer will reasonably relate to your personal information's value and contain written terms that describe the program's material aspects.
